

The background is a light blue surface covered with a repeating pattern of various tropical fruits. These include slices of watermelon with red flesh and green rinds, halves of papaya showing orange flesh and black seeds, purple dragonfruit with white flesh and red seeds, green lime slices, yellow lemon slices, whole oranges, and white five-petaled flowers with green leaves. Some small white droplets are also scattered throughout the pattern.

Unit 1: Sweet Fruit

Reading Great 30-2

What do you think?

What other fruits can you use to make tanghulu? What is your favorite?

Fig

한국어 :
무화과

Figs are soft and
sweet.

Have you tried figs
before?
